REPORT

of the

INSPECTOR OF LEGAL OFFICES

ONTARIO: 1967

Parliament Buildings,
Toronto 2, Ontario.

The Honourable A. A. Wishart, Q.C.,
Minister of Justice and
Attorney General, Province of Ontario,
Parliament Buildings, Toronto 2.

SIR:

I have the honour to present to you my Report as Inspector of Legal Offices for the year ending December 31st, 1967.

Implementation of the central registry system as required by The Personal Property Security Act, 1967, is proceeding on schedule. Mr. T. M. Rundle, a solicitor on my staff and Mr. M. L. Sterne, an Automated Data Processing specialist on the staff of the Treasury Board, are engaged full time in this endeavour. In addition to frequent meetings with County and District Court Clerks and their staffs, they are working closely with the business community through a representative group of major credit grantors. Informal meetings are held from time to time and ideas are discussed as to how the system and the prescribed forms might best be designed to meet the needs of the business community. It is anticipated that the year 1968 will be devoted to this most important aspect of implementation. When a final decision has been reached concerning the type of equipment to be used, the design of the system and the design of the prescribed forms, then the transitional period during which the required build up of the three-year bank of information will be commenced. The anticipated date for the introduction of the system will be January 1st, 1972. Studies to date indicate that some amendments will be required to The Personal Property Security Act, 1967, as more and more members of the business community become increasingly aware of the Act and study its implications with reference to the application to their particular business undertakings.

With the rapid development of the Legal Aid program more court time is required in the Magistrates' Court area. As at December 31st, 1966, there were 109 active Magistrates and Deputy Magistrates. This figure increased to 114 on December 31st, 1967, and further appointments are being considered to cope with the increased work load. Also several full-time Juvenile and Family Court Judges have been appointed recently. It is intended that these appointees will cover two or three counties, thus relieving the Magistrates who are part-time Juvenile and Family Court Judges in these areas for full-time magisterial duties.

It should also be noted that the turnover of Magistrates during the past year was quite substantial. Magistrates J. T. Shillington, Q.C., of Brantford and R. D. Thrasher, Q.C., of Windsor resigned. Two Magistrates retired, F. C. Cornell, of Fort Frances and W. Davies, of Port Arthur, and M. G. Gould of North Bay was elevated to the District Court Bench. We regret the untimely passing of Magistrates J. D. Burger, of Brampton, I. B. Craig, Q.C., of Chatham, J. H. Woodhouse, Q.C., of Port Colborne and F. S. Ebbs, of Oshawa. In the Juvenile and Family Court field the death of Judge H. C. Arrell, Q.C., of Hamilton, is also noted with regret. Judge C. L. Austen, of Guelph, for many years Secretary of the Juvenile and Family Court Judges' Association, resigned as Juvenile and Family Court Judge for the County of Wellington but is being retained in an advisory capacity by the Department.

Despite the fact that interest rates rose sharply in 1967, the number of registrations in the Registry and Land Titles Offices for the Province rose by approximately 4%. Subdivision activity increased appreciably in the suburban municipalities surrounding Metropolitan Toronto and is particularly noticeable in Peel County. The work in the registry office is increasing steadily and I find also that we are being continually called upon to give advice to other departments of government with regard to land registration. To assist in this work Mr. Thomas J. Dillon has been added to our staff, effective January 1st, 1968. Mr. Dillon had been the Senior Deputy Registrar for the Registry Division of the East and West Ridings of the County of York where he had been employed for more than 28 years. He will be of great assistance to this office in standardizing forms and programs and controlling expenditures throughout our Land Titles and Registry Offices.

Again, as in past years, all our Associations have been most active and have held instructive meetings and seminars, both at the zone and provincial levels. The following is a list of officers of the various Associations for the coming year:

President:	K. Walker	Cornwall
Past President:	E. Bekker	Toronto
Vice-President:	K. Mitchell	Toronto

A number of changes in personnel during the past year should also be noted. Mr. Charles Sale, Q.C., for over twenty years County Court Clerk, Local Registrar, S.C.O. and Surrogate Court Registrar at Windsor, retired to take over the duties of Legal Accounts Officer for the Legal Aid Program. Mr. A. E. Catherwood, Sheriff of Haldimand County and Mr. H. Clark, Local Registrar, S.C.O. and County Court Clerk of Frontenac County, retired and Mr. W. Craven, Sheriff of the County of Kent, passed away. Six changes are noted on the County Court Bench—Their Honours Judges H. J. Reynolds, Sault Ste. Marie, R. Forsyth, Toronto and T. M. J. Galligan, of Pembroke, retired; I. MacRae, London and L. A. Deziel, Windsor, unfortunately passed away and M. N. Lacourciere, North Bay, accepted an appointment to the Supreme Court Bench.

The assumption of the costs of the Administration of Justice will affect substantially the work in this Branch over the coming year. Costs of administration formerly paid by the Counties, i.e. jurors' fees, crown witness fees, coroners' inquests and investigations, transportation of prisoners and the like, will now be paid by the Province through our offices and accounting procedures are now being introduced to look after these obligations. Municipal employees concerned with the administration of justice have been brought in to the Civil Service, effective December 31st, 1967, and their positions are presently being reassessed. The matters above referred to will increase the burden on our accounting and personnel staffs for a number of months.

During the past year the new Court House in Brampton was officially opened in June as was the extension to the Court House in Bracebridge. With the assumption of the costs of the administration of justice by the Province, however, the obligation to provide accommodation will rest not with the Counties as heretofore but with the Province. The provision of accommodation involves not only Court Houses but also accommodation for Magistrates' Courts, Juvenile and Family Courts, Division Courts, Probation Offices and Land Titles and Registry Offices. This obligation will be primarily the responsibility of the Department of Public Works and to this end a Task Force of eight persons has been set up which is confining itself exclusively to this project and will liaise very closely with this Department as to our requirements.

Due to the increased volume in most offices and the introduction of new accounting systems the audit staff, even though increased in number, has been very busy this past year. I am pleased to report, however, that all audits in the outside offices are up to date. Revenues again showed a marked increase in certain areas over 1966 due to some amended tariffs of fees which were effective for only a part of 1966 and the increased volume in these offices.

To assist in the substantially increased work load in my own office, Mr. R. A. McFarland has been added to my staff. He has wide experience in the outside office procedures and will prove of great assistance to this office.
